## Organizations . . .

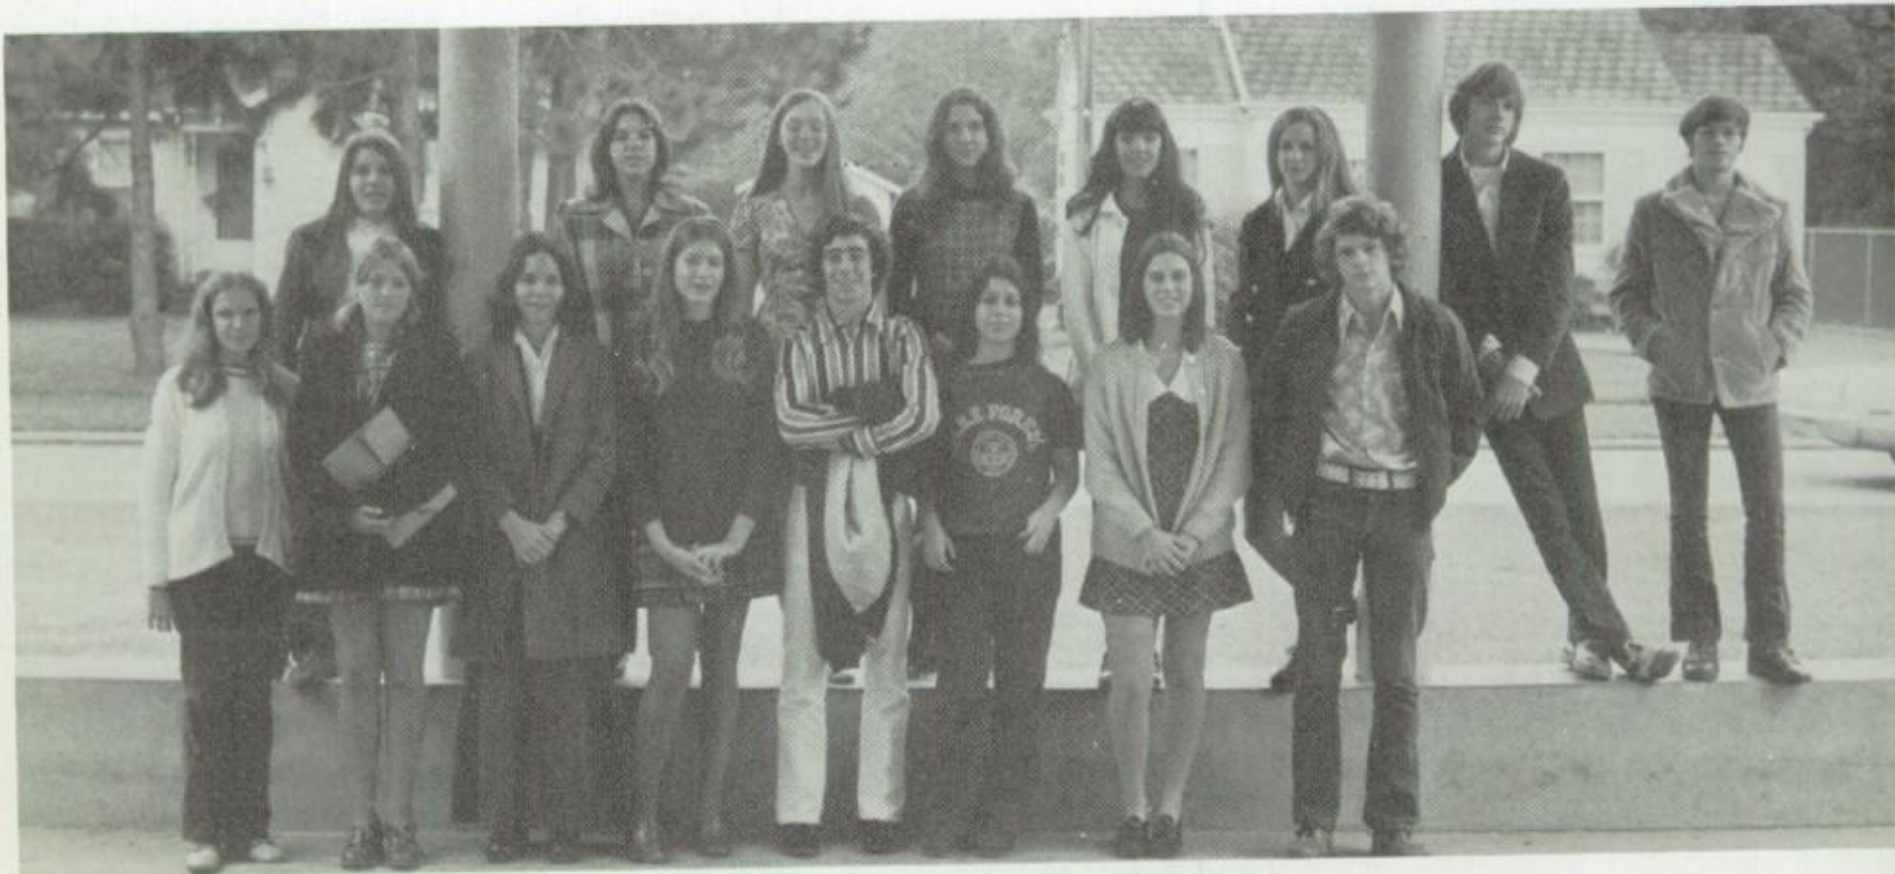

## Woman President Enlightened Student Council

Student Council was an active organization this year. It adopted as its main purpose the idea of involving every student as much as possible in the school's activities. This was achieved with much success during the two weeks of Wildcat Nation. For ten days, students set up their own political parties, the Nationalists and the Federalists, and paralleled the national elections by holding caucuses, conventions, and an electoral college, and by nominating and electing a president and a vice-president. Another main activity of the Student Council was producing Homecoming. As usual, it was a great success. Other projects the council undertook were the setting up of bike racks for students and a City-wide conference of student council officers.

## Led by Clark, Fuselier, Timpa — Kilties Marched on

"Kilties we will remember thee, from now on until eternity," was sung once again by the 1972-73 Kilties. They were headed by Drum Colonel Sheryl Clark and Marching Colonels Joselyn Fuselier and Rose Timpa. Besides marching in nine out of ten games, they participated in the McNeese Homecoming Parade, the Natchitoches Christmas Parades, and the Lafayette Mardi Gras Parade. They also sold poppies for disabled veterans.

Flagbearers were: Beth Lantrip — American; Lori Amico — Louisiana; Laurie McCoy — Kiltie. Mrs. Shirley Groves sponsored Kilties again this year with alternate sponsor Barbara Streete. We can truthfully say Kilties have had another successful year.

## New Director Added Much to LCHS Band

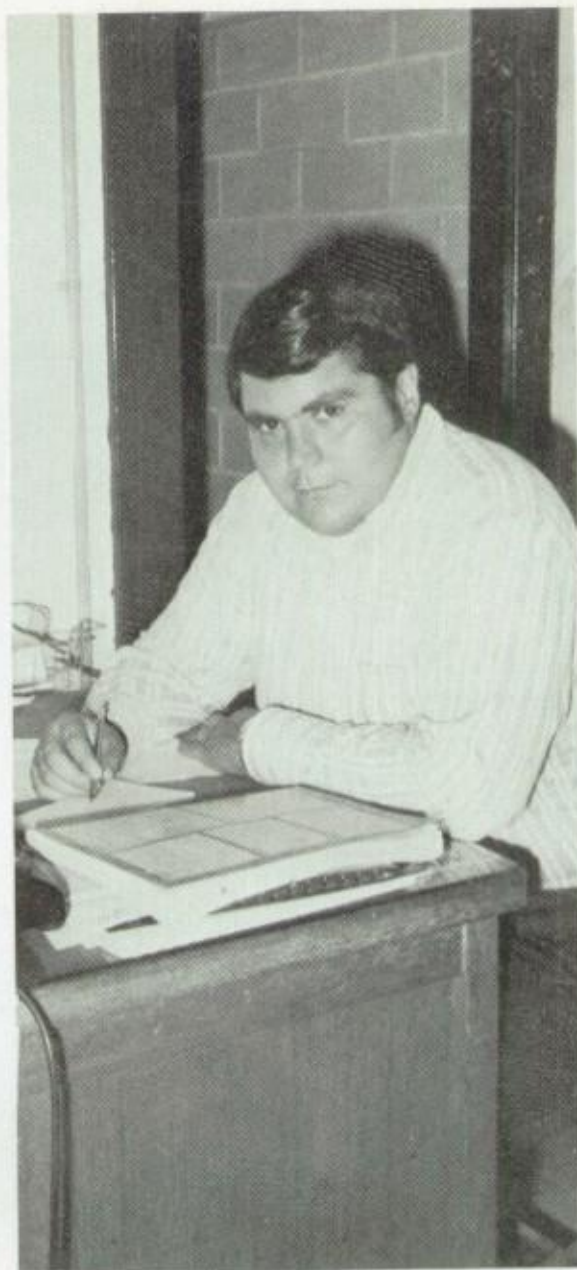

Under the direction of Mr. Richard Gilpin and drum major Debbie Price, the band underwent many changes. The most noticeable change was that a flag corp was added. These were the 16 girls dressed in red, white, and blue uniforms carrying flags. The captains were Geri Young and Sharon Trahan. The style of marching was also changed from the military style they had previously used, to a new lively marching band step. A stage band was also added.

Two members of the band were selected for All-State Band. They were Diane Mondello and David Woods. Also for the first time in eleven years the band won first place in the Veterans' Day Parade. They also participated in the Lafayette Mardi Gras Parade, McNeese Homecoming, Downtown Christmas Parade, the LaGrange Marching Contest, and held two concerts.

The members of the band council were James Black, David Hilliard, Jim Platt, Debbie Price, and Lance Waldimeier. The majorettes were Katie Duffel and Jennifer Jones.

## Debaters Proved to Be Winners

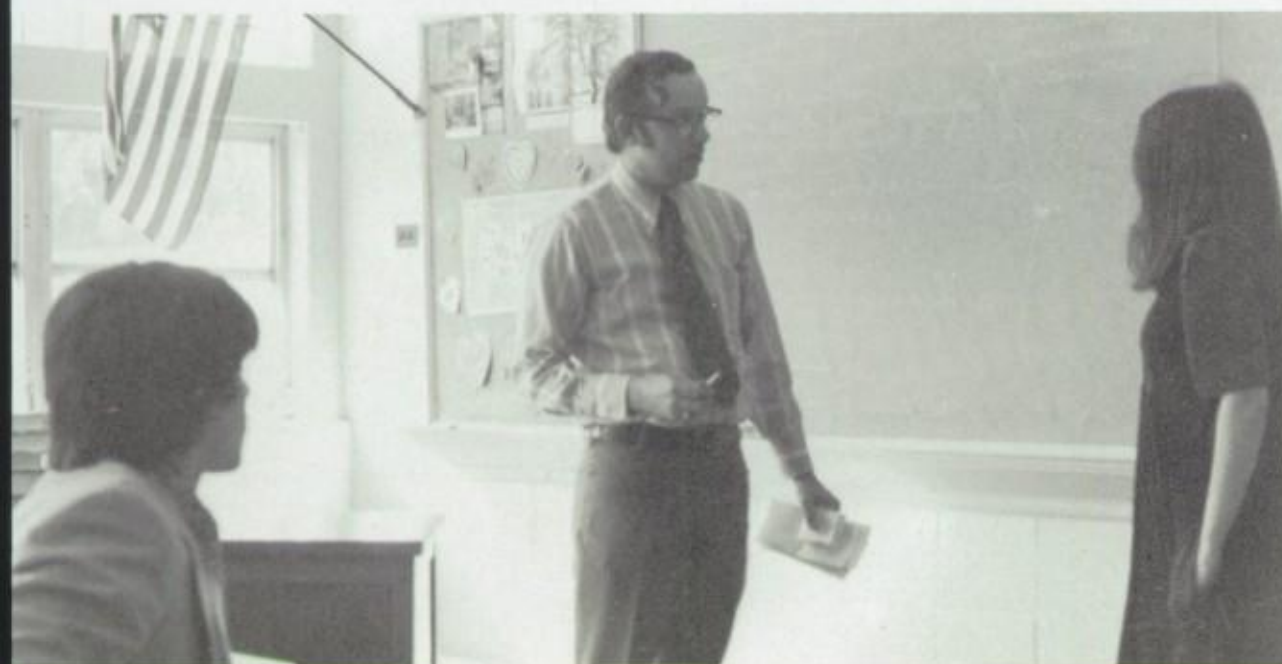

Lake Charles High School debate team has been very successful this year. They have participated in some of the largest tournaments in Louisiana and Texas. Several individuals have qualified for tournament of champions and district early in the season. The debate squad has been very large this year, and they have produced quite a number of trophies. The squad was guided by Mr. Brocato, to whom we owe many thanks, also the Captains Suzanne Walker, Stewart Rosenthal and Toni Kushner. The squad also received over all sweepstakes trophies at DeSalle, St. Louis, and McNeese State University respectively.

## NHS Sponsored Class Coke Parties

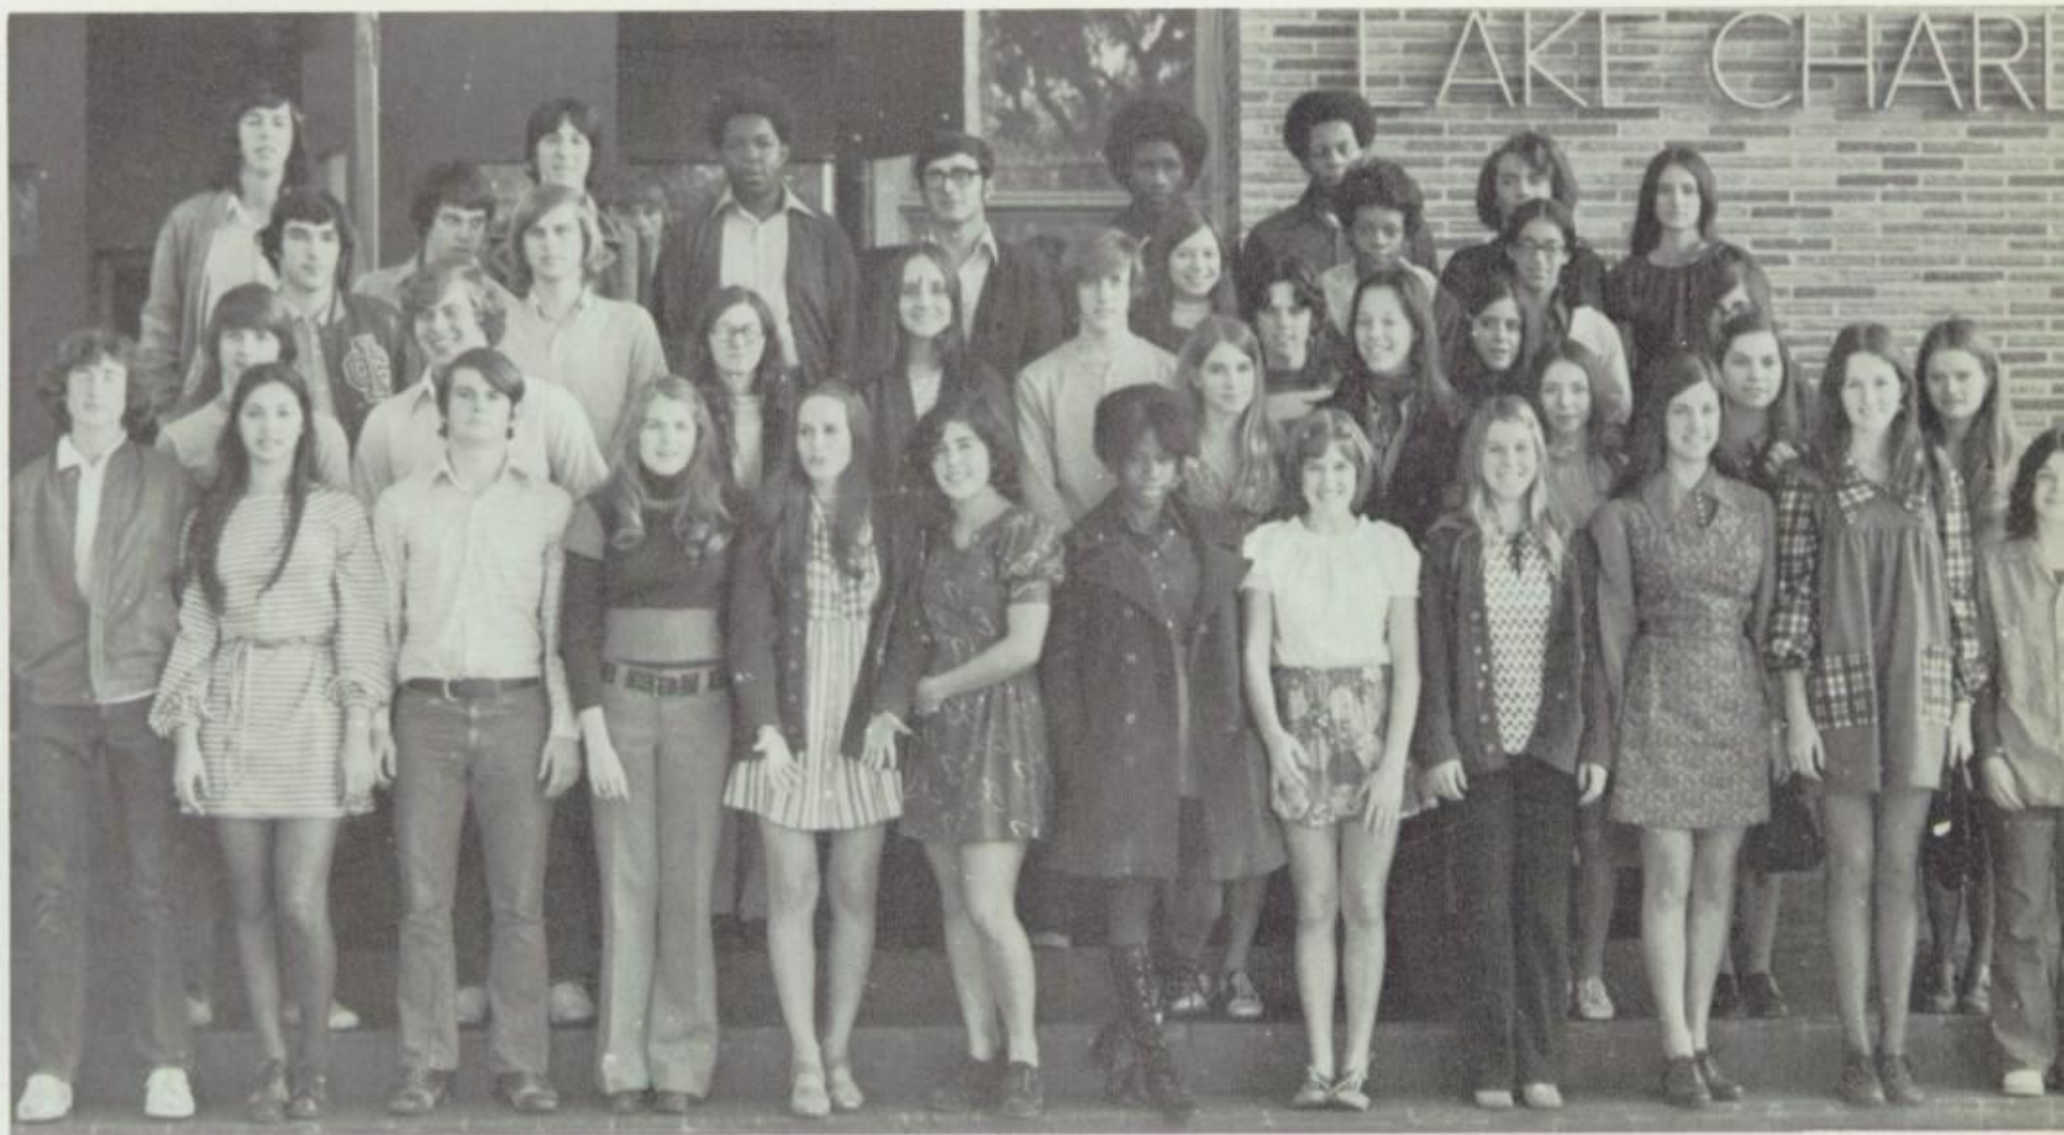

National Honor Society is a club for senior honor students chosen by the teachers each spring. Selection is based on character, scholarship, service, and leadership. This year's club consisted of forty-seven fun loving seniors.

The club's purpose is to promote scholastic achievement within the school. Each six weeks the roll call with the highest number of honor roll students was awarded an NHS banner. Coke parties were given for the honor roll students for the senior class, junior class, and then the sophomore class. Also to show appreciation occasionally members of the National Honor Society baked cookies or cakes for the teachers.

This year NHS had two new sponsors — Mrs. Duke and Mrs. Thompson. National Honor Society is very grateful for the two teachers who helped us so much.

## Wildcat Produced Ten Issues

Ten issues properly written and laid out takes much time and talent. This was provided by "Wildcat" staff of 1972-73. These twelve hard-working girls and helpful photographers (Robert Vincent and Bart Glatt) kept Lake Charles High a well-informed school.

Wildcat was led by their sponsor, Miss Bette Talbot. The staff met almost every day at last hour in room 222. Dottie Threath was editor assisted by Renee Walters.

## Dedication

Words seldom express thoughts completely or adequately. When words are used to describe certain individuals, they are more dynamic.

Many individuals have made their way through the halls of Lake Charles High School. Some passed briefly by and are likewise forgotten. Some, however, dwelt awhile. These left their mark — the mark which is indicative of a classroom teacher who gave her all, to all, the mark manifest in one who gave self beyond that which was required, and the mark which resulted in honor for students and school.

How many passed her way? One scarcely knows. Those who did found knowledge, inspiration, and a goal for life.

For these reasons and others too numerous to name with words, the 1973 CATALOG is gratefully dedicated to MISS EBBIE WHITTEN who held the light in the path at Lake Charles High School for 41 years. Enough cannot be said in gratitude. The true feeling can best be expressed by those who know her.

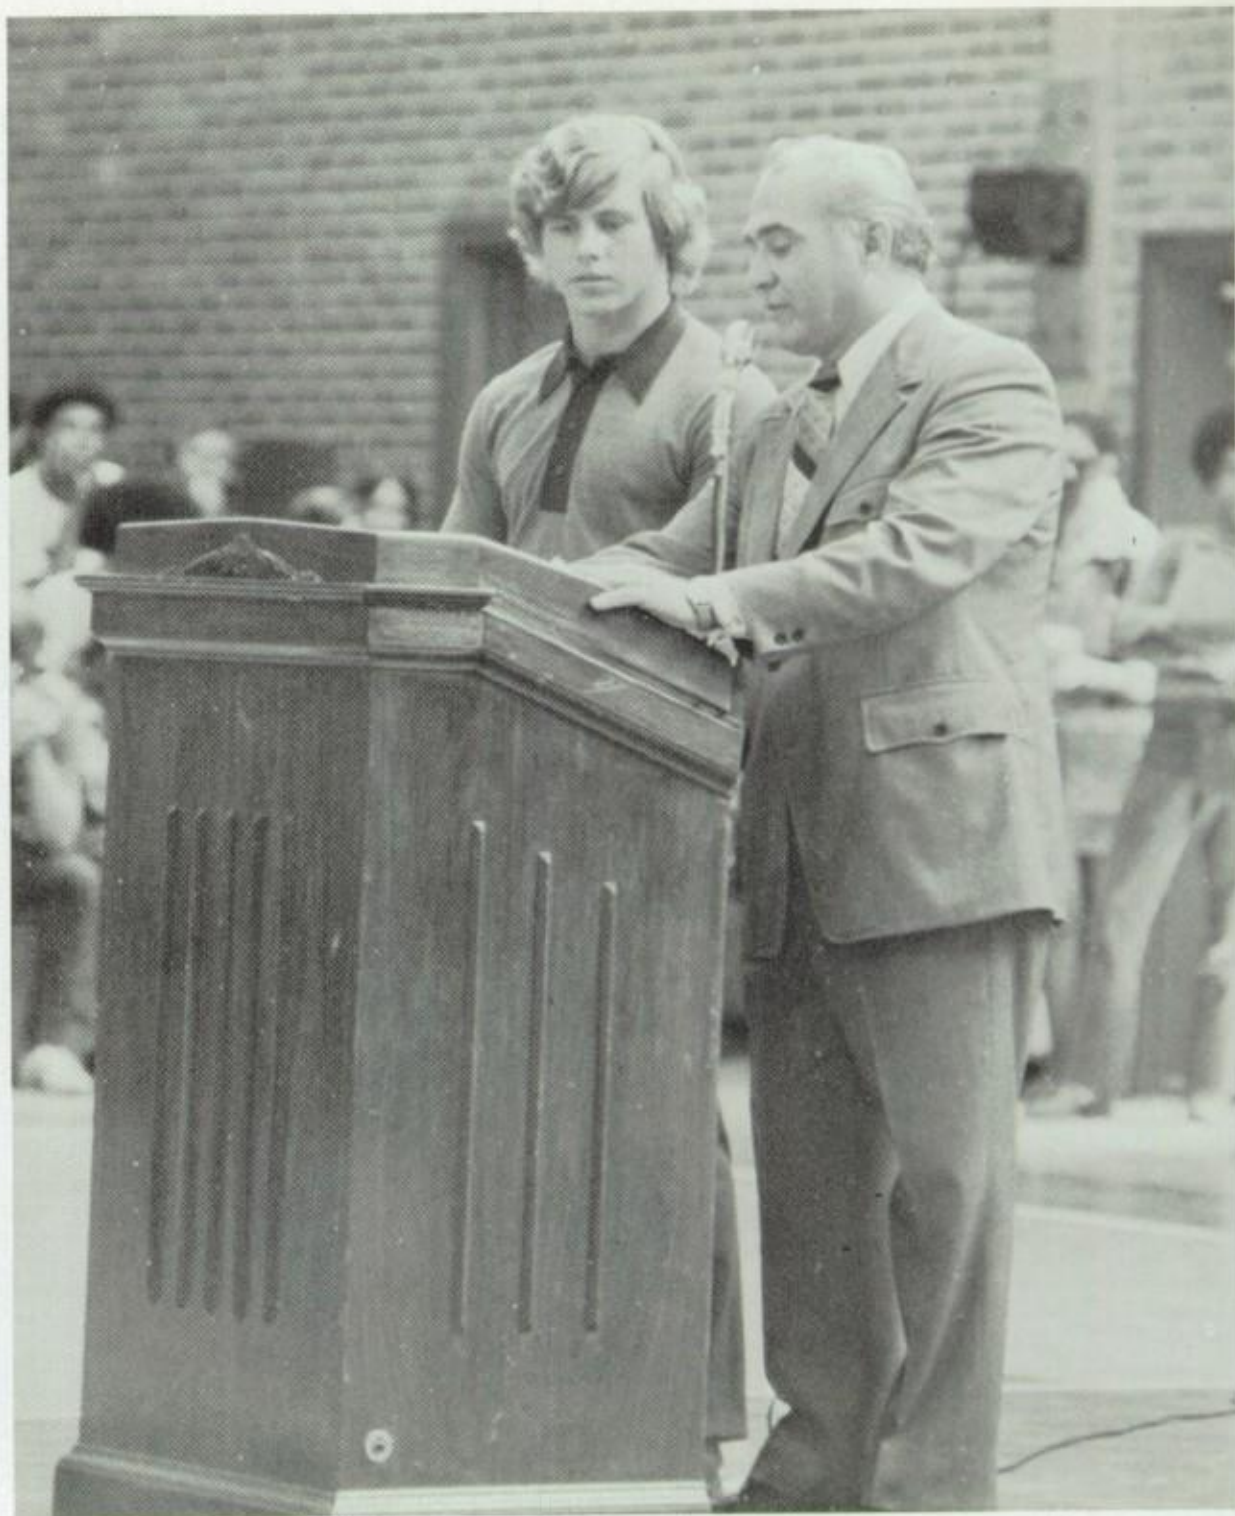

Teacher, CATALOG sponsor, educator, and friend — Thanks for your ultimate gift.

# The Roaring Twenties Through the Rocking Seventies

Homecoming 1973 was a night to remember. This year's theme, "The Roaring Twenties through the Rocking Seventies" was carried out by a time machine motif in the boys' gym. The walls of the gym were transformed into giant pages of sheet music interspersed with mementoes of the music of the past.

Homecoming royalty reigned over the festivities in the regal setting of a huge crown and along with the audience observed the entertainment provided by the students of Lake Charles High School.

The history of music for the past fifty years was portrayed through the various floorshow dances. "Take Me Out to the Ball Game" and "Toot-toot-tootsy" provided memories of the earlier years of this century. The 1950's were remembered with songs such as "Purple People Eater" and Elvis Presley's "Jailhouse Rock." "Hair" and "Candy Man" brought musical history up to the present. Shirley Moreno and Shawna Cretina performed as jesters.

Royalty brought the show to a close as they waltzed to "Love" written by John Lennon and performed by Peter Nero.

# Donkeys Made Fools of Students and Teachers

The Interact Club sponsored the annual Donkey Basketball Game in January, and all in attendance agreed that it was well worth watching the riders splatter the floor. Led by Coach "Madman" McCullor, the faculty overpowered the senior Interact members. The donkeys did not take too kindly to female riders as the senior girls also participated in the affair. All proceeds went to an orphan child who is sponsored by the Interact Club.

## Christmas Dominated The Halls of LCHS

Colorful Christmas doors decorated the halls of Lake Charles High during the week before Christmas. The Drama Club sponsored the door competition between each homeroom, who used their vivid imagination in decorating their doors. The doors were judged on the morning of December 15 and the results were: first place — Mrs. Duke, second place — Mrs. Weeks, and third place — Mrs. Osborn.

# "Star Spangled Girl" Participated in Speech Festival

The annual McNeese Speech Festival was held on February 8 and 9. The Speech Department of Lake Charles High entered in Radio and Television Broadcasting, Interpreted Reading — Girls, Interpreted Reading — Boys, Choral Reading, and a one act play.

The one act play entitled "Star Spangled Girl" by Neil Simon is the story of two magazine writers. Andy is forced to go out with the landlady to keep from paying rent. A beautiful girl moved in next door and Norman falls madly in love with her, while Norman is trying to impress Sophia, she is physically attracted to Andy. In the end Andy and Sophia are together and Norma goes out with the landlady.

Norman played by Benny LeDoux, Andy by Bruce Hamilton, and Sophia by Rose Timpa. Each actor in the play rate superior. Benny LeDoux was named "Best Actor" by the Little Theatre. Artist Civic Theatre Studio named "Star Spangled Girl" "Best Play." Mrs. O'Reilly directed the play. Janet Holland and Florence Chatoney were prop associates and stage crew. The play was presented for the student body during extra period on February 19.

## Blast Initiated Little Sisters

This year the school session began with the annual BLAST on August 25. Sophomore girls were initiated by their senior "Big Sisters". Some of the unfortunate ones were covered with such things as coffee grounds, molasses, eggs, beer, and vinegar. After an adventurous day the girls were further embarrassed at the dance which was held at the school. Kangaroo Court and an overnight stay at the Y.M.C.A. ended BLAST.

## Women's Lib Took Over

Hilarious tackles and key interceptions tell of December 1st Friday night's football game. Barbara George was the outstanding offensive player, for the blue team. She scored the only touchdown of the game. Rose Timpa, of the red team, was the outstanding defensive player. The coaches of the red team were Jon Streete, Marty Garrett, and Jack Duke. The blue team's coaches were Craig Hensley, John Swift, Bill Funk, and Winston Reed. The blue team won the game 8-0 with Barbara's touchdown and Janet Mayo's 2-point conversion.

## Louisiana State Delegates Participated in Governmental Processes

For one week in August, nine students from LCHS underwent an exciting and unique experience at Louisiana Boys' and Girls' State in Baton Rouge. The students chosen by the faculty and student body were Joellen Abraham, Sheryl Clark, Shereba Diaz, Blue Francis, Mark Andrus, Kerry Charles, Bill Funk, Mike Huber, and Danny Murphy. The first day was spent getting acquainted with the Campus and 600 other people they would be working with. Each person was then placed in a city, and no two people from the same school were placed in the same city. After electing city

officials, two cities were united to form a parish.

Each city spent approximately sixteen hours a day listening to various adult speakers, trying to set up their own effective city and parish governments and

projects, party campaigns, making friends marching, and shouting at the top of their lungs. The nine delegates from LCHS returned with a better understanding of National, State, and local government.

## Nationalists and Federalists Were Equally Represented

Lake Charles High was total fun, excitement, and politics the week from October 30 to November 6. The excitement of both parties, Nationalist and Federalist, overwhelmed the entire campus.

The purpose of Wildcat Nation was to teach each and every student at Lake Charles High the preliminaries of an election including the convention, the campaign, and the technique of voting. Speakers who were present at the Republican and Democratic conventions explained what happened at these political meetings. This experience brought the whole school closer together.

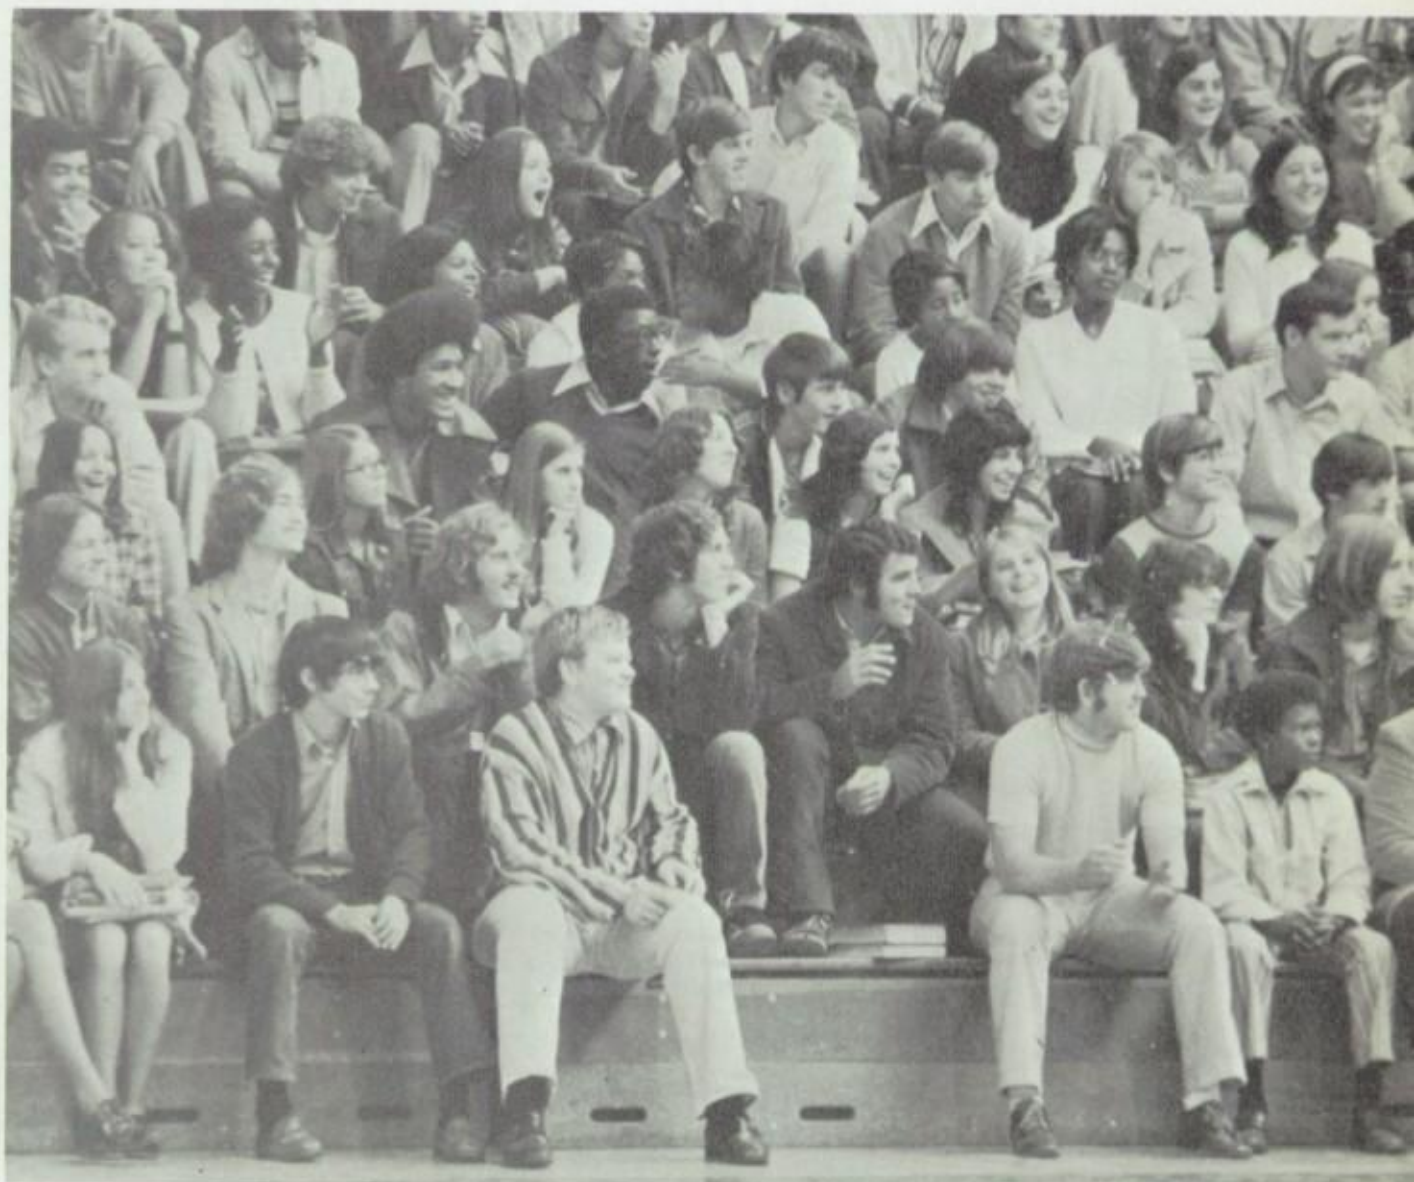

Bruce Hamilton, Nationalist, was elected President of Wildcat Nation and Daryl LaFleur, Federalist, was elected as our Vice President. After the inaugural speech Bruce Hamilton selected his cabinet.

## Spirit And Loyalty Reigned During LaGrange Week

The week of October 23-27 was proclaimed LaGrange Week. Enthusiastic students attended poster parties throughout the week, and loyal Cats guarded the Wildcat. One of the highlights was the bold red letters spelling "Wildcat Country", on the back of the auditorium. On the eve of the highly anticipated game, students decorated the gym with crepe paper and posters for Friday's pep rally. The excitement came to an end when the mighty Wildcats were defeated by the LaGrange Gators.

## Sports . . .

## Wildcats Faced Tough Competition

This year saw our football team capture a 5 — 4 — 1 record. Injuries of quite a few boys hampered our season. Yet, the Wildcat fans led the Cats on to a winning season. The season opened with a victory over the Barbe Buccaneers, but ended with a one point loss to Lafayette. One of the biggest highlights of the season was when the Wildcats smashed the Sulphur Tors. The crowd roared as the final buzzer found the excited Cats going home with a 34 — 16 victory. Other victories, this year, included Opelousas, Northside, and Acadiana. The only great disappointment was our loss to LaGrange, but we shall return! The edition of Wildcat country football proved to be exciting, rewarding and at times heart-breaking.

## Sophs Gained Valuable Experience

The 1972 LCHS Sophomore football team gave a good account of themselves with a fine 6-1-1 record, and left glimmering hopes of championships to come. The "Sophs" defeated sophomore teams from New Iberia, DeRidder, Jennings, Opelousas, Acadiana, and climaxed the season with an impressive 39-6 victory over Lafayette in the final game. The Cats were defeated by LaGrange and tied by Sulphur. Offensive stars for the Sophs were halfback Frank Benoit, quarterback Pat McFatter, and split-end Clifton Lewis. Defensive standouts were defensive end Larry Butter, safety James Lawson, linebacker David Daugherty, and tackles Nolan Hebert and Bill Litton. The LCHS Coaching Staff is expecting "big things" from this group of fine young men.

## Senior Cheerleaders Made Their Last Year Exciting!

Led by eight energetic girls spirit soared through Lake Charles High School for this school year. These girls were sponsored by Mrs. Alta Osborn and were led by Susie Wade, Head-cheerleader. The cheerleaders boosted the spirit at football games, basketball games, and the pep rallies. Ribbons were sold by the cheerleaders for the football games. They also led the Kilties in several parades. We appreciate the time, but most of all the talent, exerted by these eight girls.

## Wildcats Won Cross-Country

The 1973 Lake Charles Wildcat track team jumped off to a splendid start this year in capturing the 3AAAA District Cross-Country crown. The Cat Cross-Country unit, who trained since the first day of school, was composed of these boys: Curt Burton, Charlie Kaough, Mike Murphy, Kelvin Manuel, Larry Huber, David Robertson, and Alvin Hayes.

The team participated in the Northwestern University Invitational meet early in February. The relay team, composed of Curt Burton, Mike Holloway, Charlie Kaough, and Mike Murphy placed second in a large field in the 16 lap relay.

Coach Hunter was optimistic about his young team. In the field events, Jon Streete and David Baker were returning "point-getters." Henry Walker, Curt Burton, Mike Holloway, Mike Murphy, and Charlie Kaough were counted on to form the backbone of our running events.

# SEARCH FOR TOMORROW

Each year the world becomes a little smaller. However, world problems are increasing each day. At times the rigorous schedule of a high school student may seem far removed to problems of the day.

But, outside pressures such as international strife, drugs, and pollution are as much a part of a student's conversation as the upcoming football game or final exam.

We at Gulf States know the only tomorrow we have is the youth of today. That's why we are engaged in research to control pollution, further youth programs, and to help disadvantaged young individuals. We're hoping today's student in his search for tomorrow will find a better world.

Mr. Fred Elsing, Jr.  
Mr. George Hurlbut

To the students, faculty, and administration of Lake Charles High School, I would like to say, "Thank you." This has been the most wonderful year marked with many changes in school life. Through Wildcat Nation we learned a lot but more importantly, we became a united student body. Thanks to the understanding and sincere help from Mr. John Falgout, principal, Mr. Daniel Ieyoub, Assistant principal, and Mr. Tom Ballard, Student Council sponsor, the 1972-1973 school year was one of the most outstanding in school history.

Thank you, Lake Charles High School, for this honor.

Blue Francis  
Student Council  
President

Mark,  
If you spent as much time on Geometry as you did trying not to do Geometry you would have been an "A" student. Keep your great personality and humor as you go about doing the things you enjoy doing but "Don't get Caught." Best wishes through life.  
Jerry Gray
